AUCTIONEER—J. E. Halsey, Des Moines, Iowa.

SALE MANAGER—Hal Longley, 37 Island Avenue, Aurora, Illinois.

OWNER—Earl E. Evans & Son, Woodstock, Ohio and David S. Graham, South Solon, Ohio.

Here is a view of the beautiful home at Greenwood Farm, South Solon, Ohio, owned by David S. Graham, where Shorthorn cattle have been an important part of the program of successful farming for many years.

ATTRACTION individuals with the best of pedigrees feature the offerings of Earl E. Evans & Sons, Woodstock, Ohio and David S. Graham, South Solon, Ohio in this sale. By best pedigrees is meant pedigrees founded upon some of the greatest females of the breed and built up by the use of bulls that have been selected because of their outstanding fitness to be used as breed improvers.

The more you know about the grand cows that produced the outstanding members of the Carpenter and Ross herd when it was the greatest aggregation of Shorthorns in America, the greater you will appreciate the breeding back of the cattle that are to be sold in this sale. Those foundation matrons that did not come through the Carpenter and Ross herd were the top producers of other equally notable and successful establishments.

In this sale there are Rosewoods descending from the famous Rosewood 86th, Augustas coming down from Augusta 15th, Duchess of Gloster from the great Aldie Duchess of Gloster, Roan Ladys from perhaps the greatest breeding cow in the noted herd of T. Dorsey Jones, imported Roan Lady 23d and Lavenders from the equally favorably known imported Lavender Bloom, Maudes from imported Maude 44th, Dorothy from the Congress champion, Haigler Dorothy Roan Ladys also from that great producer of two grand champions, imported Roan Lady 36th besides the best branches of the Missie and Cecilia tribes.

The Evans offering constitutes a dispersal of this long established and favorably known herd. This is a small herd but selected during many years for quality and type along with great pedigrees. Buyers will secure cows that would not be sold except at a dispersal.

The Graham offering consists principally of young cattle with a lifetime of usefulness before them and of a type and character upon which to build great herds. Every animal in this lot is sired by Dreadnaught Bounty. Nine of them are out of dams by Divide Eclipse. These facts account for the uniform excellence of the offering.

Do not overlook the fact that a great herd bull and eight other excellent herd bull prospects also are features of this sale. Now is the time to add quality and pedigree strength in your herd. This sale provides a fine opportunity.—Hal Longley of The Shorthorn World.

Just a Word about Transportation...

We have selected London, Ohio as the location for this sale because of its convenience to all prospective buyers. Those who wish to attend this sale need not feel that they are dependent on the use of their own cars for transportation. London, Ohio is located on the main line of the Pennsylvania Railroad from Cincinnati to Columbus and from Indianapolis to Columbus.

Also, bus lines run hourly in every direction through London. Consult your local bus agent and he will arrange a convenient round trip for you.

Equally convenient will be the matter of transporting cattle purchased in this sale. We will be glad to arrange shipping for you either by truck or rail. Your trip to this sale can be both **pleasant** and **profitable**.

Above are shown a Duchess of Gloster and a Lavender produced in the herd of Earl E. Evans & Son. Both are now valuable breeding animals in Ohio herds.

The Brookside Consignment

With blood lines of the very choicest and equally choice individuality, the consignment of five bulls and twelve cows and heifers from Brookside Farm, owned by Earl E. Evans & Son, deserves the attention of every buyer who wishes to work improvement. Four cows that are still great producers but past the age of selling are being retained at Brookside. Aside from these, this sale constitutes a complete dispersion and cattle are being offered that would not be available under any other conditions. The new owner of these cattle will indeed be fortunate.

This beautifully bred red Clipper heifer is in calf since April 10th to Browndale Pride, a very thick, smooth, solid red son of Browndale Climax by Browndale Pilot.

Maxwalton Lavender 61st 1922806—Was the undefeated cow at many district and county shows in 1941. She is one of the smoothest, deepest cows of the breed and a real milker. We sold her first calf for \$300 before the raise in prices. She has a yearling bull in the sale that will give a good account of himself in the show ring. She also has a red bull calf at foot, dropped June 17 and sired by Browndale Climax and she is safe in calf again. Study her pedigree carefully. It does hurt to part with a great cow like this.

Now is the time to cull your herd. Packers will pay good prices for your poorer females and for cows that are past the age of usefulness. With only a moderate margin of cost, these can be replaced by richly bred, profitable females. Get your herd ready now for the most profitable trade the purebred Shorthorn industry has ever known. This sale provides the opportunity.

Here is a snapshot of David S. Graham, owner of Greenwood Farms, with his successful herd bull Dreadnaught Bounty by Goldspur's Baronet 2d.

The Greenwood Consignment

No herd in the country can provide stronger Scotch bloodlines than the Greenwood Herd, owned by David S. Graham, and the pedigrees in their catalog bear witness to this statement. Study them carefully. Four bulls and twenty-four females are to be sold from this herd and all are sons and daughters of the good herd bull Dreadnaught Bounty, a prize winning individual that represents a blending of the blood of Goldspur's Baronet 2d and Leveldale Dreadnaught, the two greatest sires ever used in the Mathers Bros. herd. To buy these cattle is to improve your position in the industry.

Dreadnaught Bounty 1852841—Following a brilliant two year show career during which he stood at or near the top in the strongest shows of the country, we bought Dreadnaught Bounty in the 1937 Mathers Sale. We wanted to head our herd with a son of the great Goldspur's Baronet 2d and, if possible, we wanted him to be out of a dam by Leveldale Dreadnaught. This bull fitted our needs perfectly. He has sired calves of excellent quality and all have been uniformly deep of body and short of leg. In this sale, we are very proud to offer 28 of his calves, yearlings and two year olds.

He is the grandsire
of our junior herd
bull . . .

Calrossie Command, grandsire of our junior herd bull. Through his use in the famous Cluny Castle Herd in Scotland, he earned the reputation of the greatest breeding bull of his time.
